Fast Learner

# VISHWA SAMPATH

IT PROFESSIONAL

## PROFILE SUMMARY

Enthusiastic IT professional with hands-on experience in software and web development. Skilled in PHP, Java, C#, React, and Spring Boot. Strong problem solving abilities with a passion for learning and delivering practical solutions.

## PROJECTS

### WEDDING PLANNING WEBSITE "EMERALD WEDDINGS"

Built using PHP and MySQL (XAMPP), complete with user registration, login, booking features, and PHPMailer integration for welcome messages and password recovery.

### TRAVEL PLANNING WEBSITE "THE CEYLON TRAVELER" | 2025

Developed a full-stack web app using React, MongoDB, and Spring Boot with features like package booking, guide purchasing, and payment integration. Deployed frontend on Vercel.

### RENT-A-CAR SERVICE MANAGEMENT SYSTEM | 2024

Designed a Windows Forms application in C# with SQL integration, featuring vehicle rentals, customer management, and return tracking.

### ONLINE FLOWER SELLING WEBSITE | 2024

Developed a web application using HTML, CSS, JavaScript, and PHP with XAMPP for local hosting and database management. Included product listings, customer management, and order processing features.

### TAXI CAR SERVICE MANAGEMENT SYSTEM | 2023

Designed and developed a Windows-based application using Java and SQL, with features for vehicle rentals, customer management, and return tracking.
